

CONSTRUCTION REVIEW magazine presents a full-day seminar on
CONSTRUCTION CLAIMS AND DISPUTE RESOLUTION

DATE: 05 MARCH 2010

VENUE: SHERATON KAMPALA HOTEL

Presented by Pierre Ferreira

Attorney, BA LLB (Wits) FA Arb

Dispute resolution may be a costly and time-consuming exercise, and the construction industry is frequently plagued by long drawn disputes and settlement processes. It is essential to be equipped with the relevant knowledge in order to minimize the negative impact of disputes.

Construction Review's Construction Claims and Dispute Resolution Seminar focuses on equipping participants with an understanding of important issues around claims and disputes.

ABOUT YOUR FACILITATOR

Pierre Ferreira, Attorney, BA LLB (Wits) FA Arb

Pierre Ferreira is one of South Africa's most respected insurance and construction law attorneys. He has 28 years experience in litigation and arbitration proceedings and industrial / mining enquiries and inquests. He is a fellow of the Association of Arbitrators (Southern Africa) and has acted as arbitrator under the auspices of that association.

Ferreira has advised the Contractors Plant Hire Association (CPHA) for 20 years and is the draftsman of the CPHA approved Conditions of Hire for lifting equipment and separately, general plant and equipment (earthmoving plant and equipment).

SPECIAL: GROUP BOOKINGS

- ✓ 10% discount on a booking of five (5) delegates
- ✓ 20% discount on a booking of ten (10) delegates

SEMINAR DESCRIPTION

Using the FIDIC terms of contract as a framework, this interactive seminar looks at claims and disputes. It aims to explain the preparation and evaluation of claims. It addresses how disputes arise, how best to avoid disputes, and what is involved in the dispute resolution process.

Construction Claims

- Claims defined: the types and nature of claims
- Understanding the contractual and legal basis of claims.
- Considering when claims ought to be allowed
- Evaluating claims
- How best to structure claims
- Documentation and record-keeping
- Preparation and certification of claims

Disputes and Dispute Resolution

- ✓ Understanding what is involved in the dispute resolution process
- ✓ Identifying the underlying causes of the disputes
- ✓ Processes for resolving disputes
- ✓ Select and apply an appropriate dispute resolution strategy
- ✓ Assess and resolve disputes in a collaborative manner
- ✓ Effective negotiation and communication
- ✓ Appropriate conduct for a mediation process
- ✓ Looking at strategies to avoid future disputes

This seminar is hosted at:

Conveniently located in the heart of Kampala city, Sheraton Kampala Hotel welcomes guests with a relaxed ambience and an array of upscale amenities.
